*The purpose of Meredith College is to develop in its students the Christian attitude toward the whole of life, and to prepare them for intelligent citizenship, homemaking, graduate study, and for professional and other fields of service. Its intention is to provide not only thorough instruction, but also culture made perfect through the religion of Jesus Christ. These ideals of academic integrity and religious influence have always been cherished at Meredith.*

## *The Honor Code*

All life at Meredith is based upon the honor code, which is drawn up and defined by the students of the college.

The honor code means that:

*Each student is expected to be honest and truthful at all times.*

*Each student is personally responsible for her own conduct, for her obligations to the college community, and for informing herself of and for abiding by the college regulations. If a student breaks a regulation, she is expected to correct her offense by reporting herself to the proper authorities: in an academic matter, to the instructor concerned; in an administrative matter, to the officer of administration concerned; and in a student government matter, to an upperclass member of the Judicial Board.*

*A student is responsible for seeing that the honor code is carried out at all times. If she is aware of a violation of the code by another student, it is her duty to see that the offender reports the violation.*

The honor code is violated when a student is dishonest or untruthful, when a student fails to report herself for a rule infraction, or when a student fails to correct a violation of the code by another student.

Three basic principles underlie the honor code: at all times, a student shows absolute integrity, fulfills her community obligations, and assumes responsibility for her fellow citizens in the community. The students of Meredith have adopted and agreed to live by this honor code because they believe it to be the basis of successful and effective self-government.

### PLEDGE

Early in the fall semester this pledge will be signed and filed with Student Government Association in fulfillment of Article III of the constitution:

*I understand the principles and responsibilities of self-government group living, and I realize that I am pledging my full co-operation in maintaining our honor system. I promise that by personal action and attitudes I will uphold the principles of the honor code of Meredith College.*

## *Grant of Powers*

The Board of Trustees approves the adoption and operation by the faculty and the student body of what is commonly known as student government, subject, however, to the following limitations:

1. The following matters are reserved from student control, and as to these the faculty and the officers of the college shall have control:

- a. All academic matters.
- b. All matters affecting the health of the students.
- c. Chapel programs.
- d. Organization of the clubs and societies.
- e. Control of college property.

2. To the President, to the Dean, and to the Dean of Students, with their respective committees, is reserved the right to handle special cases of discipline which in their judgment can best be handled in this way; subject to the right of the Trustees to review the same, if they so desire.

3. The Trustees reserve all powers and authority not hereinbefore specifically granted to others, and reserve the right to modify or repeal this grant of authority at any time at their discretion.

### LEGISLATIVE OPERATION OF STUDENT GOVERNMENT

New regulations or changes in regulations may arise in the Legislative Board and go to the student body for discussion, be sent to the Faculty Committee on Student Government and the President of the College for approval, and then be taken back to the student body for final vote. Such legislation may also arise in the student body and go to the Legislative Board and then to the Faculty Committee and the President. Regulations or changes must be passed by all three bodies before becoming effective. If the change affects college policy, it must be passed by the Board of Trustees.

3. Late permissions may be given for parties which classify as special events and last until one o'clock.
4. One o'clock permission may also be granted for the following:
  - a. Dances
  - b. Concerts
  - c. Long movies
  - d. Other approved special events
  - e. Return traveling time in the triangle area
5. A student may cancel a one o'clock permission any time before leaving school. If the event the student has gained permission to attend is canceled or changed, the student may cancel her permission upon returning to the college by official closing time or she may use her permission for a comparable approved activity and notify the Dean of Students upon returning to the college.

### *Academic Late Permission*

During the week, late permission is given by the Dean of Students to attend events which have been certified as academically valuable by the head of a department. Such permission provides for return to the college immediately after performance.

### *Dances*

1. Students may attend dances within the 35 mile radius sponsored by approved organizations or institutions. Students do not attend dances open to the general public.
2. A student may make arrangements to obtain blanket permission from her parents for Raleigh dances and for out of town dances; (until Thanksgiving freshmen must obtain special permission from home for all out of town dances). These permissions must be mailed directly to the Dean of Students.
3. A student may attend a dance without taking a 1:00 permission provided she return by the regular closing time.
4. When attending a dance in Raleigh (ten-mile radius), a student goes from and returns to the college. However, a student living in the vicinity of Raleigh and spending the week-end at home may attend a dance in Raleigh provided she goes from and returns to her home, in which case a late privilege is not required.
5. When attending a dance out of town within a 35-mile radius of Raleigh, a student may go from and return to the college and is required to take only a one o'clock permission. A student may go to an out-of-town dance within the 35-mile radius and spend the week-end away from the college.
6. A student may not leave a dance before it is over except to return to the college. She may stop at a public eating place on the way back to the college.

Violation of these regulations warrants action by the Judicial Board, unless the penalty is automatic.

## **CLASS PRIVILEGES**

Each student has privileges of the class of which she is a member according to academic classification. For example, a second year student who is a freshman has freshman privileges. A student who changes aca-

ademic classification during a year will subtract the overnights and 1:00 permissions she has taken under her former classification from those she is entitled to in her new classification and be granted the remainder.

A day privilege may extend as late as 7:30 p.m. and an evening privilege may begin as early as 6:00 p.m. Students may stay out until 11:00 p.m. Sunday through Thursday, until 11:30 p.m. on Friday, and until 12:00 midnight on Saturday.

Students are reminded that it is safer to go out in a group, when leaving the campus after dark.

Dating always counts as a privilege, on or off the campus. If a date comes unexpectedly to see a student, she may see him for fifteen minutes without using a privilege. More than one fifteen minute date during a day or an evening counts as a regular privilege. Some activities which do not count as privileges, provided the student is not dating, are classes held away from campus, on-campus business appointments, on-campus visits with relatives, trips to business establishments in Wilmont (which extends from Roy's to Dixie Trail) or to the Ridgewood shopping area, and attendance at church for morning and evening services on Sunday. When going to Ridgewood or the Wilmont area without a date, a student need not sign out.

An overnight is defined as one night away from the college in the period from Friday to Monday. Permission for overnight absence during the week, or for needed travel time, may be given in exceptional cases by the Dean of Students.

#### *Freshmen.*

1. Three day engagements per week.
2. Three evening engagements per week.
3. Six one o'clock privileges per year.

3. Overnights at their discretion.

#### *Seniors.*

1. Social engagements at their discretion.
2. Nine one o'clock privileges per year.
3. Overnights at their discretion.
4. Automobiles.

In order to qualify for the privilege of keeping a car while she is in residence, a Meredith College student must be a senior (academic

classification) in good standing (i.e., not on probation), must have secured in advance parental permission on the official form, and by her signature must promise to keep the following agreement:

I hereby agree:

1. To obey State traffic laws.
2. To abide by all riding regulations.
3. To park only in designated student parking areas on the campus.
4. To permit only seniors in good standing to drive my car (inasmuch as the actual owner of the car is legally responsible in case of accident where the driver is at fault, students are urged to permit such seniors to drive only if liability insurance includes coverage in such cases).
5. To register the car in the office of the Dean of Students within 24 hours after bringing it to the campus, designating at that time the period for which the privilege is requested.
6. To notify the office of the Dean of Students within 24 hours of any change in plans as recorded at registration.
7. To display in the right hand lower corner of the front windshield at all times during the period for which the car is registered an official college registration decal (cost \$1.00).

It is understood that a violation of any of these regulations will be considered a breach of contract. A student violating a parking regulation will be penalized by (1) a warning for the first violation, (2) a \$5.00 fine for the second violation, (3) a forfeit of the privilege of keeping a car in residence for the third violation; however, any further violation of any regulation entails forfeit, without warnings, of the privilege of keeping and driving a car while in residence. Where circumstances warrant, a student may appeal her fine or warning to the Judicial Board; in case of forfeit of the privilege the student may apply for its restoration after three months.

#### *Non-resident Students*

In order to qualify for the privilege of parking a car on campus, a non-resident student must register her vehicle on the official form, and by her signature must promise to keep the following agreement:

I hereby agree:

1. To obey State traffic laws.
2. To abide by all traffic regulations of the campus.
3. To park only in designated student parking areas on the campus.
4. To register the car in the business office at the designated time.
5. To notify the business office whenever the vehicle which is registered is exchanged for another.
6. To display in the *right hand lower corner of the front windshield* at all times during the periods for which the car is registered an official college registration decal (cost \$1.00).

A violation of any of these regulations will be considered a breach of contract warranting the same penalties applied to resident students.

### *Married Students*

Failure to declare marital status immediately will be regarded as intentional falsification of all college records.

Married students may live in the Meredith dormitories under the following conditions:

1. Each married student must be accepted by the Dean of Students prior to moving into a dormitory.
2. All student government regulations apply to married students according to their academic classification.

### **SPECIAL PRIVILEGES**

2. A student may borrow one day and/or one evening privilege from the following week with permission from any member of the Student Government Executive Committee or from a dormitory president or a vice-president. During any three-week period, the total number of privileges is not to exceed 9 day and 9 evening privileges for freshmen, or 12 day and 12 evening privileges for sophomores. One privilege of the same type borrowed is withdrawn from the following week.
3. Freshman representatives to the Judicial, Legislative, Student Activities, and M.C.A. boards may leave their lights on, as needed, on the nights that they attend their respective board meetings.
4. Freshmen and sophomores on eligibility may participate in M.C.A. Extension Projects at Dorothea Dix Hospital or at the Blind School once a week without taking a privilege. Any subsequent visit by a student on eligibility and any visit by a student not on eligibility will count as a privilege. (Note: Should similar school sponsored "extension" projects arise which might be included, they would be announced.)

### **DORMITORY REGULATIONS**

#### *Dormitory Hours*

Every student must be in her room from official bedtime until rising bell except with permission from her hall proctor. A student obtains permission from her hall proctor to spend the night other than in her room and also tells the proctor on whose hall she is visiting.

#### *Room Changes*

1. No student may change her room or roommate until two weeks after classes start.
2. Unless an emergency arises, all room changes must be completed by the end of the first six weeks of the first semester. Room changes for second semester must be completed during the first two weeks.
3. Students must have permission from the Dean of Students before making any changes.

## Quiet Hours

Reasonable quiet shall be observed in the dormitories at all times and *Busy* signs shall be respected. 1. Second semester freshmen, sophomores, juniors, and seniors may keep their lights on at their own discretion.
2. First semester freshmen must have their lights out at official bedtime except on Saturday night when they may keep lights on at their own discretion. On one night a week lights may be kept on an hour after official bedtime provided that roommates sign with their hall proctor for the privilege.

## Telephones

Telephones may not be used between official bedtime and 7:15 a.m. Freshmen may not use the telephones during study hour, 7:30 to 10:00 p.m.—Monday through Thursday. During study hours the telephone will be answered by the student telephone proctor on duty. The student body has voted that telephone conversations be limited to five minutes, unless permission has been obtained from the hall proctor. Pay telephones should be used when calling long distance or sending telegrams.

## ROOM-CHECK SYSTEM

Bedrooms and bathrooms must be in order by 10:00 a.m. Points are charged for violations as follows:

An accumulation of 24 points per semester will merit 2 call downs per room (one call down per girl).

## PENALTIES

These penalties are drawn up by the Legislative Board. The Judicial Board may give additional penalties for repeated infractions of regulations otherwise handled automatically.

### *Pink Slips*

Pink slips are warnings given by any member of the student body for breaches of proper social behavior. The accumulation of two pink slips within a year for the same offense warrants judicial action. One pink slip is given for the following:

Saturday. NOTE: A student who realizes she cannot return to the College by closing time (when she has signed out on her dorm card) or by the time for which she has signed out (when she is signed out on a special permission slip) should call the Dean of Students. She should give her location, reason for being late, and the approximate time she expects to return. Notifying the Dean of Students is the responsibility of the individual student. This does not necessarily excuse the lateness.

Every student of Meredith College is a member of the Meredith Recreation Association. The M.R.A. Board, composed of student representatives, meets weekly to tackle the task of organizing and co-ordinating all extracurricular recreation and athletic activities of the college. The activities of Corn Huskin', Stunt, Christmas caroling, and Play Day are directed by the M.R.A.

Major sports sponsored by the M.R.A. are basketball, volleyball, softball, tennis, badminton, and ping pong. Tournaments in each of these sports are held throughout the seasons. Individual sports, such as hiking, bicycling, and bowling are participated in throughout the year. The Tennis Club, Hoofprint Club, and the Monogram Club are under the direction of the M.R.A., but each functions under the leadership of its own officers. Those who take one semester of horseback riding are eligible for the Hoofprint Club; students earning 1,000 points become members of the Monogram Club; any student interested in tennis is eligible for membership in the Tennis Club.

A basketball trophy is awarded at the close of the basketball season to the class winning the tournament.

A volleyball key is awarded at the end of the volleyball season to the freshman who has shown the most teamwork, loyalty, and proficiency in volleyball. A representative from the freshman class is chosen on the basis of participation and interest shown in activities sponsored by the M.R.A. A trophy is awarded at the end of the year to the member of the student body who is considered by the Meredith Recreation Association Board to have contributed most to athletics during the year.

Upon entrance at Meredith College all students working toward a degree become members of the campus religious organization, the Meredith Christian Association.

Features of this organization include a daily vesper service which aims at devotional growth, and a series of forums which stimulate intellectual understanding.

Opportunities for service are afforded by the extension program, which includes a reading and visitation program at the State School for the Blind, visitation at Dorothea Dix Hospital, and the opportunities to work with Negro children and to work at the Raleigh Rescue Mission.

In the fall the M.C.A. sponsors with the State College B.S.U. the Freshman-Transfer Party in the court.

The M.C.A. encourages each student to become acquainted with the Raleigh churches and to move her membership to the church of her choice. In order to meet the ministers of these churches informally, each student is invited to the "Meet the Ministers" Tea.

These activities carry out the purpose of the Meredith Christian Association: to provide both the means of understanding the truths of God in Christ and the opportunities for expressing them by creative service; to strengthen, correlate, and unify all of the separate religious denominations into one campus fellowship with an all-inclusive program of religious activity, and at the same time to encourage each student in appreciation of her particular denominational heritage.

## *Meredith Societies*

You will hear first at Meredith, if you haven't already heard, about the two societies, the Astrotekton and the Philaretian. You will be attentively "rushed" by members of both of these societies. You will have parties and serenades, and you will hear much about the activities and the girls in each. There is the keenest competition between these two societies for the affections of you new girls. Heed an old girl's advice and don't lose your heart too quickly.

The societies have a hall in which monthly meetings are held. Programs at meetings are social activities of fun and fellowship!

The Astro Society, whose colors are gold and white, has the motto, "He builds too low who builds beneath the stars." Its mascot is Billy Astro, a goat. Each year the Astrotekton Society offers the Carter-Upchurch medal for the best essay written by one of its members.

The colors of the Phi Society are blue and white; its motto is "Plain living and high thinking," and its mascot is Milton, a bear. Each year the society offers a medal for the best literary contribution written by one of its members. Many worthy projects are also sponsored by the Phis each year.

## *Meredith College Playhouse*

Officers To Be Elected

MRS. RUTH ANN PHILLIPS.....*Sponsor*

You may be a competent sportswoman, you may be an enthusiastic newshound, or you may be a glamorous socialite; but in any event, we hope that you have dramatic aspirations. For on the Meredith campus there is an organization which will kindle that spark of interest into dramatic ability and stage poise. The Playhouse offers you an opportunity to gain experience in every phase of dramatic work. If you want to act, you can try out for any of the productions given during the year. If you prefer to be the "power behind the throne," you can work on the staging, properties, make-up, or costuming committees. If you do not want to take an active part at all, you can spur our endeavors on by attending the productions. You don't have to buy a ticket for each production; for when you pay your activity fee in September, you purchase admission to a year's enjoyment of Playhouse performances. We want you to come out for plays because of a sincere interest in dramatics. We believe that this interest of yours will increase when you learn that students from the neighboring colleges take the male roles in our major productions.

Full-fledged membership in the Playhouse is awarded according to the amount of work in at least one major production. We don't guarantee a Hollywood contract but we do guarantee lots of fun and a good working knowledge of play production.

## *Meredith College Chorus*

Officers to be elected in the fall.

The Meredith College Chorus ranks as one of the major choral organizations of the state. The chorus provides music for various college functions including Founders' Day, Religious Emphasis Week services, the Commencement exercises, and presents concerts at Christmas and in the spring each year. The Chorus and smaller ensembles chosen from it appear on radio and television broadcasts and on programs for civic clubs and other organizations. Membership in this choral organization is a privilege which may be enjoyed by Meredith students. A fee of \$1.00 per semester is charged.

## *Honor Societies*

### KAPPA NU SIGMA

Organized in 1923, Kappa Nu Sigma Scholastic Honor Society takes its name from three Greek words, *Kallos*, *Nous*, and *Sophia*, meaning *beauty*, *soundmindedness*, and *intelligence*. The purpose of the society is to promote scholarship at Meredith. Full membership is limited to seniors who are elected at the end of their junior or senior year.

At its annual lecture, Kappa Nu Sigma taps associate members from the junior class and recognizes the sophomores with the highest average. At the spring meeting new members are received, and the Helen Price Scholarship, named for a former sponsor, is awarded to the freshman having the highest average in her class.

### SILVER SHIELD

The idea of the Silver Shield, the honorary leadership society on campus, originated with members of the class of 1933, but no definite organization was set up until the spring of 1935. The purpose of the society is to foster a good spirit on the campus and to recognize outstanding students who have contributed to life at Meredith. The Silver Shield keeps scrapbooks which contain materials needed for reference by students, including club constitutions and records of club activities, college and class songs, and college and class traditions. These materials are kept in the library.

New members of the society are selected from each rising and present Senior Class by the members of the organization and the faculty. The selection is made on the basis of Christian character, constructive leadership, service to the school, and scholarship.

### ALPHA PSI OMEGA

In May, 1938, the Eta Nu chapter of Alphi Psi Omega, national dramatics fraternity, was installed with eleven members. The Playhouse was proud to have placed the first national honorary society on the Meredith campus.

The Alpha Psi Omega in no way displaces the Playhouse, for it is not a producing organization. Its function is to give recognition to those girls who excel in dramatic endeavor. Any Playhouse member who earns at least fifty points is eligible for membership.

## BAPTIST STUDENT UNION

The Baptist Student Union of Meredith College has a three-fold purpose. It is: to strengthen, correlate, and unify all of the Baptist religious activities into one campus unit with a strong central base of operation; to provide for the Baptist students at Meredith an informative program concerning Baptist doctrine, institutions, and affairs; and to project a dynamic program of missionary education through LISTEN (Love Impels Sacrifice Toward Every Need) and to provide definite channels for contribution and service.

These objectives are sought through activities such as the Church-Student Picnic which seeks to introduce new students to the Raleigh Baptist churches and personnel through a tour of some of these churches, a picnic, and fellowship; the Freshman-Transfer Party (sponsored with the Meredith Christian Association and the State College Baptist Student Union); and participation in discussions and study groups of special interest to Baptist students.

Intercollegiate activities include the Statewide BSU Convention in the fall, the mid-year retreat of the Meredith and State College BSU's, the annual Spring Leadership Training Conference, and various programs of study and fellowship in cooperation with other schools in the area.

The Baptist Student Union of Meredith College offers the opportunity for individual and cooperative growth or service through all of these activities. Membership is upon voluntary commitment of the individual student to the BSU through the signing of a statement consistent with the purposes of the organization.

## MODEL UNITED NATIONS

The Middle South United Nations Model General Assembly is "devoted to building informed and intelligent public support for the United Nations, for the principles embodied in its Charter and in the Universal Declaration of Human Rights."

Each Spring the General Assembly convenes on the campus of one of the forty-five member schools. The four-hundred delegates are divided into four committees which study resolutions which have been presented by the member nations. Later, the group meets as a whole in the General Assembly to discuss several of the more important resolutions and to vote on them as the real General Assembly does.

All interested students are encouraged to participate in this most worth-while program.

## Traditions

Dear to the hearts of all Meredith girls are the traditions they share with all the Meredith girls of the past years.

The first of these traditions during the school year is a Corn Huskin' Bee, sponsored by the Meredith Recreation Association. Strange looking creatures appear for an evening of festivities! The faculty and students dress in costumes of their own creation and appear at dinner to enjoy the skits given by each class and by the faculty. There are contests such as hog-calling, apple bobbing, and, of course, corn husking. Recognition is made of all the winners and of the two classes with the most original costumes and songs.

Before Thanksgiving each class busies itself to select a room for storing props, costumes and scripts for the approaching Stunt Night. Each class presents an original stunt, for the best of which a silver cup is awarded. A class winning the cup for three successive years is permitted to keep the trophy.

The night before Christmas holidays begin, the Student Government Council, M.R.A., and M.C.A. sponsor a formal dinner for the students and faculty, and later the same night the student body fills special buses and goes caroling through the city.

Beginning the second semester is the Rush Week climaxed by Decision Day, when each new student chooses the society in which she desires membership. Each society does one day of rushing, and on Decision Day the new girls choose their society by walking to breakfast through the lines of the Phis or the Astros, which are formed by the old members on either side of the dining room doors. The last chance to change their minds is at assembly time when the society lines form again at the auditorium doors. The votes are counted and the winning society announced.

As the weather begins to warm, the M.R.A. sponsors the annual Play Day. A half holiday is declared, and a duke elected from the faculty with a duchess elected from the student body reigns over an afternoon of games and contests between faculty and students. There is also competition between the dormitories climaxed by a picnic in the court.

The college plays host to high school seniors during the May Day week-end. A May queen and a maid-of-honor are chosen by popular vote of the student body and each class has two representatives in the May Court. It is customary that a girl be in the May Court only once until her graduating year, when she may become the queen or maid of honor. The sophomores serenade the May queen on May Day morning and honor her with a May Day breakfast. At the May Day breakfast the president of the college is presented with a May basket of flowers by the sophomore class. Earlier, seniors have been given corsages by their little sisters. At the crowning of the May queen in the afternoon, she is entertained by the folk dancers and the May pole dancers.

Once every college generation the faculty presents Lewis Carroll's *Alice in Wonderland* for the students.

There are also traditions for each of the classes. Each year the freshmen give a breakfast for the juniors and the juniors give the freshmen a party in Society Hall. The juniors also honor the seniors every spring with the annual Junior-Senior banquet.

The big-sister tradition, probably the best loved one at Meredith, comes in the junior year. In late summer each junior receives a letter from her class president telling her the name and address of her "little sister," an incoming freshman, who is assigned to the junior as her special charge until the upperclassman is graduated.

Commencement week brings to light many more Meredith traditions. The sophomores especially look forward to the Class Day exercises during commencement. They set out on a daisy-picking excursion at sunrise and work eagerly to make the daisy chains to be used in the afternoon exercises. The white-clad sophomores hold the two daisy chains and sing to their sister class as it marches through.

One night of that week at a grudge bonfire, each senior burns the article she has most disliked at Meredith, so that memories of Meredith will be only pleasant ones. On Saturday afternoon before commencement sophomores form the senior class numerals on the island at the lake; then, the seniors singing "The Queen of Our Hearts" march off to the grove to elect their permanent class officers. That evening the seniors conduct the vesper services.

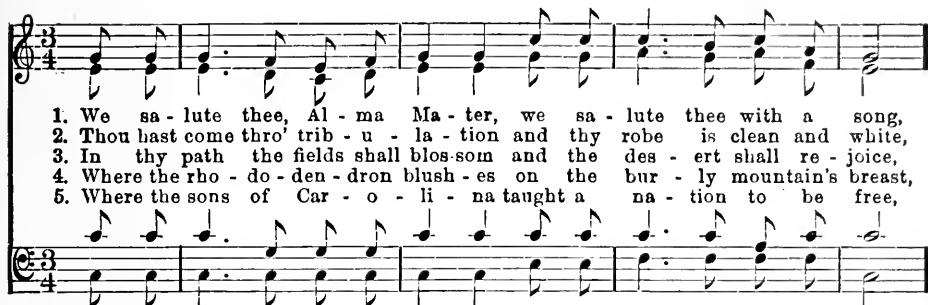

Besides the traditions already discussed, the classes are divided into the odd and the even classes, each with its distinctive customs. "Hail to the Even Spirit" is the song of the even girls written in response to "Them Bones," earlier established as the song of the odd classes. On Class Day the members of the odd classes wear black gloves on their left hands and the even girls give their little sisters a token bag of sticks and stones to protect them from the Odd Spirits' bones. The colors of all odd classes are blue and white until their junior year, when they take rainbow colors. Among the even classes, the leap-year classes use purple and gold; the other "evens" use green and white. The college colors are maroon and white and the college flower is the iris.

## *Opportunities in Raleigh*

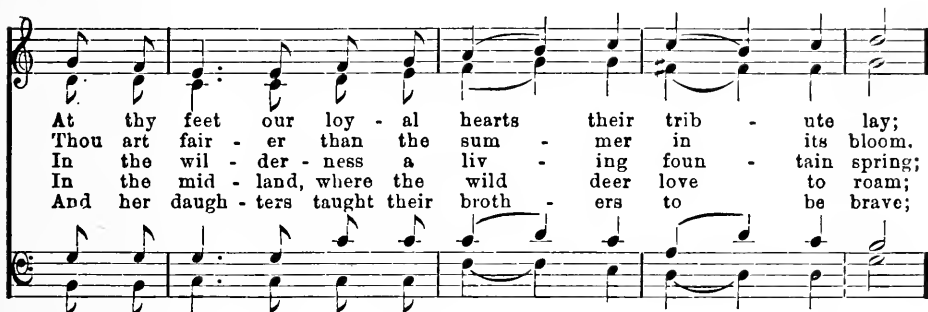

In Raleigh, Meredith students have opportunities to visit the Legislature and government departments as well as the State Library, State Museum, State Museum of Art, and the Hall of History. Tickets for Raleigh Concert Music Association programs, Raleigh Chamber Music Series, Friends of the College Series, and Raleigh Little Theatre productions are available to students in addition to many interesting artists, lectures, and sports events brought to Raleigh by local organizations.

# Alma Mater

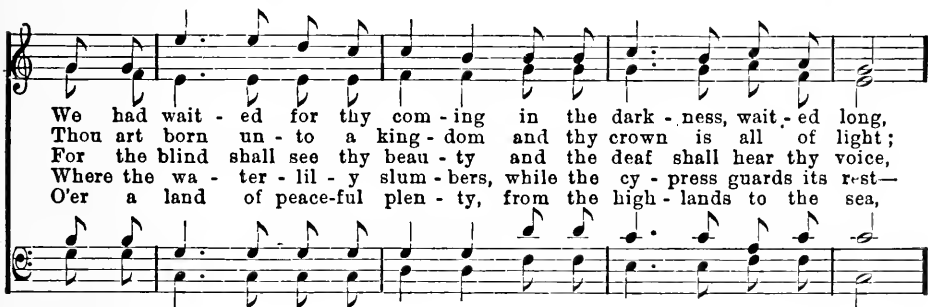

Words and music by former President R. T. Vann

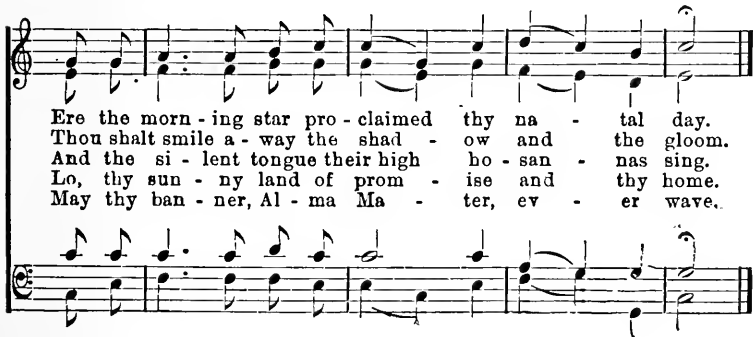

1. We sa-lute thee, Al-ma Ma-ter, we sa-lute thee with a song,  
 2. Thou hast come thro' trib-u-la-tion and thy robe is clean and white,  
 3. In thy path the fields shall blos-som and the des-ert shall re-joice,  
 4. Where the rho-do-den-dron blush-es on the bur-ly mountain's breast,  
 5. Where the sons of Car-o-li-na taught a na-tion to be free,

At thy feet our loy-al hearts their trib-ute lay;  
 Thou art fair-er than the sum-mer in its bloom.  
 In the wil-der-ness a liv-ing foun-tain spring;  
 In the mid-land, where the wild deer love to roam;  
 And her daugh-ters taught their broth-ers to be brave;

We had wait-ed for thy com-ing in the dark-ness, wait-ed long,  
 Thou art born un-to a king-dom and thy crown is all of light;  
 For the blind shall see thy beau-ty and the deaf shall hear thy voice,  
 Where the wa-ter-lil-y slum-bers, while the cy-press guards its rest—  
 O'er a land of peace-ful plen-ty, from the high-lands to the sea,

Ere the morn-ing star pro-claimed thy na-tal day.  
 Thou shalt smile a-way the shad-ow and the gloom.  
 And the si-lent tongue their high ho-san-nas sing.  
 Lo, thy sun-ny land of prom-ise and thy home.  
 May thy ban-ner, Al-ma Ma-ter, ev-er wave.

## DEDICATION HYMN

We build our school on Thee, O Lord  
To Thee we bring our common need;  
The loving heart, the helpful word,  
The tender thought, the kindly deed.

We work together in Thy sight,  
We live together in Thy love;  
Guide Thou our falt'ring steps aright,  
And lift our thoughts to heav'n above.

Hold Thou each hand to keep it just,  
Touch Thou our lips and make them pure;  
If Thou art with us, Lord, we must  
Be faithful friends and comrades sure.

We change, but Thou art still the same,  
The same good Master, Teacher, Friend;  
We change, but, Lord, we bear Thy name  
To journey with it to the end.

We build our school on Thee, O Lord  
To Thee we bring our common need;  
The loving heart, the helpful word,  
The tender thought, the kindly deed.

*Words by S. M. MAYER*

## YOU'RE THE QUEEN OF OUR HEARTS, ALMA MATER

You're the queen of our hearts, Alma Mater;  
You hold a place that no other can fill.  
Each year, in passing, has bound us  
And draws us closer still.  
Like the sun in the east when 'tis rising,  
A new day is dawning for thee.  
Through the sunshine and tears  
Of our dear college years,  
You're the queen of our hearts, Alma Mater.

*Words and music by Mary O'Kelly Peacock, '26*
